

LaTeX Exercise

Iizalaarab Elhaimeur
CS 800, Spring 2026
Current draft: 2/5/26 at 9:51pm EST

Look at the source `latex_exercise.tex` to see how this is done.

1 URIs

This is a formatted, clickable link to my academic webpage: <https://izzyelhaimeur.com>

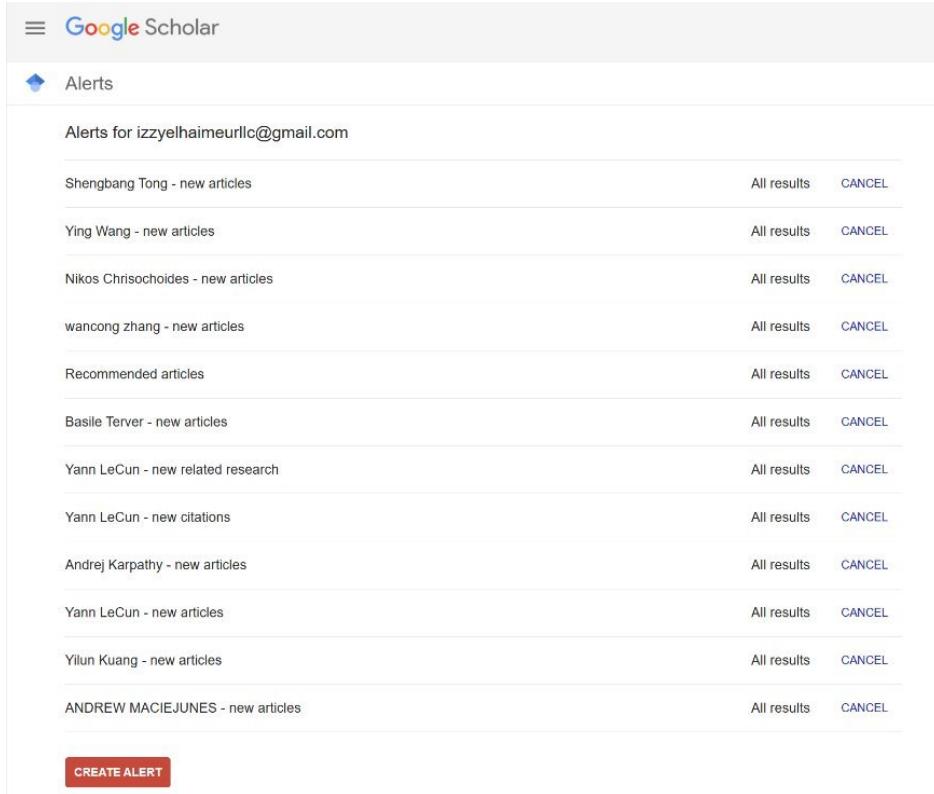

Here is my LinkedIn profile: <https://www.linkedin.com/in/iizalaarab-elhaimeur>

Here is my ORCID: <https://orcid.org/0009-0004-9789-2582>

2 Images

All figures must have a caption and must be referenced in the text. See the examples below.

Figure 1 shows my Google Scholar alerts page, where I am following several researchers in my area of interest.

The screenshot shows a list of researchers followed by Google Scholar:

Followed Researcher	Action	Action
Shengbang Tong - new articles	All results	CANCEL
Ying Wang - new articles	All results	CANCEL
Nikos Chrisochoides - new articles	All results	CANCEL
wancong zhang - new articles	All results	CANCEL
Recommended articles	All results	CANCEL
Basile Terver - new articles	All results	CANCEL
Yann LeCun - new related research	All results	CANCEL
Yann LeCun - new citations	All results	CANCEL
Andrej Karpathy - new articles	All results	CANCEL
Yann LeCun - new articles	All results	CANCEL
Yilun Kuang - new articles	All results	CANCEL
ANDREW MACIEJUNES - new articles	All results	CANCEL

At the bottom left is a red button labeled "CREATE ALERT".

Figure 1: Google Scholar Alerts

Figure 2 shows my LinkedIn profile. I am a PhD Student in Computer Science at Old Dominion University.

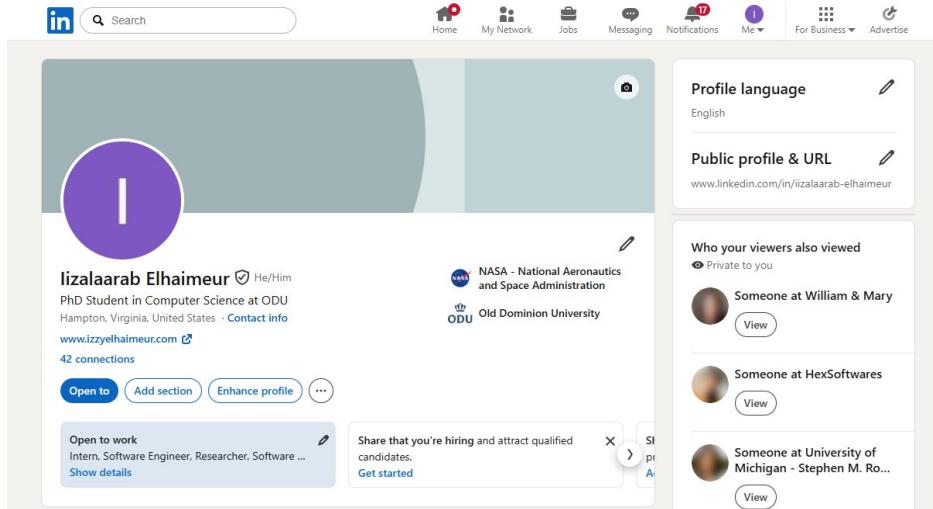

Figure 2: LinkedIn Profile

Figure 3 shows my ORCID profile, which lists my employment and education history at Old Dominion University.

Figure 4 shows my RCR completion status in DegreeWorks, confirming the “RCR - Engineers Research” requirement has been fulfilled.

3 Quotation Marks

Quotation marks are weird in LaTeX. Here's using "double quotes". *Not quite right*. Here's the "proper way". It's two backticks and two single quotes: ‘‘proper way’’

4 Tables

Table 1 shows a summary of the professional accounts created for this assignment. Table 2 shows some of the scholars I am following on Google Scholar.

Table 1: Professional Accounts
